

Product Specifications Sheet

Safety Lockout Hasps - 25mm Diameter Jaw Pack

Part No
65375

Lockout hasps from Brady® are the answer to your safety concerns during group lockout situations.

Overview

Lockout hasps ensure the energy source stays locked out until every individual working on the repairs or inspection is finished. Each person involved puts a lock on the hasp, but the hasp cannot be removed until all locks have been removed. Allows up to six workers to lock out a single point. Vinyl-coated high tensile steel. Plated to resist rust. Accepts six padlocks up to 9mm shackle diameter.
